Product Overview

It's never been easier to make your own hydrogen water! One tablet will continue generate hydrogen for about 30 days, allowing customers to easily turn ordinary tap water into hydrogen water from the comfort of their own homes. Use one tablet for a 350 - 500 mL plastic bottle, or two tablets for a 2 L plastic bottle. Each tablet continues to generate hydrogen for about 30 days, providing a more economic solution than buying prepared hydrogen water. Recommended for customers looking for a convenient, portable, no-fuss way to supplement their hydrogen intake.

Day-to-day stress, as well as factors such as alcohol and smoking, gradually deplete the power of hydrogen stored in your body. Hydrogen generated by Hydrogen Water Tablet “Red Hydrogen” replenishes depleted hydrogen throughout the body. Beauty benefits include controlling swelling and improving of skin moisture retention, skin tone and brightness, while providing a boost of youthful energy for a healthy glow every day. Health benefits include relief from migraine headaches, stubborn stiff shoulders and fatigue while providing an all-round boost to daily energy levels. ※ Freedom's Hydrogen Water Tablet “Red Hydrogen” is certified under the Noguchi Medical Institution's, a registered foundation of the United States of America.

Recommended for corporate customers who...

- Are considering attracting customers by carrying products beneficial to beauty and health
- Hope to create new revenue by carrying products beneficial to beauty and health.
