## Product Overview

Hydrogen bathing in the comfort of your own home. Freedom’s “Hydrogen Bathing Bubble” boosts moisture throughout the body.

Just add Freedom’s “Hydrogen Bathing Bubble” to enjoy the benefits of hydrogen bathing. Made with carbonic acid and hydrogen salt only, this bath additive bestows the moisture-retaining capabilities of hydrogen to your entire body. Ideal for improving blemishes, wrinkles, skin tone, and dryness.

Day-to-day stress, as well as factors such as alcohol and smoking, gradually deplete the power of hydrogen stored in your body. As you bathe, “Hydrogen Bathing Bubble” utilizes cutaneous respiration to replenish hydrogen wherever it is needed throughout the body from the outside in, helping to control swelling while improving moisture retention, skin tone and brightness, providing a boost of youthful energy for a healthy glow every day.

## Recommended for corporate customers who...

- Are considering attracting customers by carrying products beneficial to beauty and health
- Hope to create new revenue by carrying products beneficial to beauty and health.

## Enjoy the benefits of hydrogen bathing right at home

Just add “Hydrogen Bathing Bubble” to your tub to add over 1 ppm of hydrogen generation to the water, converting it to a hydrogen bath with powerful oxidation-reduction potential of over -300 mV. When taking a hydrogen bath, cutaneous respiration takes in hydrogen from the skin all throughout the body, providing thorough absorption. Airborne hydrogen gas is also absorbed internally as you breathe.

## Hydrogen bathing for a moisture boost

Day-to-day stress, as well as factors such as alcohol and smoking, gradually deplete the power of hydrogen stored in your body. “Hydrogen Bathing Bubble” replenishes hydrogen wherever it is needed throughout the body as you bathe, providing a boost of youthful energy while helping to improve moisture retention, swelling, skin tone and brightness.
